

## **Financial Agreement**

This agreement is to clarify the financial aspects of your care so we can direct all of our attention to balancing your body.

**First Visit** - On your first visit you'll meet the doctor to discuss your current health situation and to see if you're a good candidate for chiropractic care. If we accept you as a Client, we'll conduct a thorough examination. This helps us identify the likely cause(s) of your problem.

- Physical, orthopedic and neurological exam **\$98** (30 minutes)
- Necessary X-ray views of the spine - Bulk billed at our suggestion
- Chiropractic adjustment - **Free**

**Second Visit** - At your Report of Findings we will tell you what we found, what we can do to help, how long it may take and how much it will cost. We'll also review other courses of action and offer you choices.

- Report of Findings **\$85** (15 minutes)
- Chiropractic adjustment - **Free**

**Regular Visit** - Your care consists of a series of specific adjustments to add motion to spinal segments that are not moving correctly and restore nervous system integrity. Retraining the spine takes time. Each visit builds on the ones before. Some Clients see rapid progress and others find their recovery slower.

- Standard Chiropractic adjustment **\$65**
- Long appointments **\$95** (per 30 minutes)

**Progress Report/Comparative Report** - We'll monitor your progress with periodic exams every 6 - 12 visits. These findings help document your recovery. We may modify your visits based on these results.

- Progress or Comparative report with Spinal Chiropractic adjustment **\$85** (15 minutes)

**Rehabilitation Visit** – Recovering from injury or medical intervention / Surgery, Visit consists of evaluation and assessment of function and limitations. Review of existing rehabilitation program, instruction and education of appropriate rehabilitation exercises.

- Rehabilitation Session **\$110** (30min)

### **Neuro Emotional Technique (NET)**

NET is a safe, effective and natural way to instantly resolve long-standing health problems that have an emotional component. NET consultations complement regular chiropractic care.

- Long (30 min) NET (including Chiropractic adjustment) **\$105**
- Short (15min) NET **\$80**

**Please note, if you are a Wellness Client you will receive an additional discount on our adjustment fees. Please refer to our website [www.aspirehealthandfunction.com.au](http://www.aspirehealthandfunction.com.au) for full details of our Wellness Care terms and conditions.**

**Third Parties** - As the Client receiving our care you pay our fees. This helps avoid disputes or being pressured into compromising your care by a third party. We'll help in any way we can so that you can apply for reimbursement from any involved third party. Most insurance companies will charge a fee for our documents and this is reflected as part of our fee.

**Individual Consideration Contract** - If there is financial hardship associated with receiving care in our office, please understand that we have never refused any client due to their financial situation. We will however come to some agreement for payment of services that is agreed upon by both parties.

**Billing** - We have a 'Payment at Time of Service' policy, however we understand that circumstances sometimes change. Outstanding balances will be billed monthly and considered past due 10 days after the invoice date. Balances beyond 30 days will be charged an administration fee of \$35 per month plus any legal or collection fees. We will pass along the \$35 fee our bank charges us for any returned checks.

**Agreement** - This is the entire agreement between Aspire Health and Function and the Client listed below. By signing this you certify that you, the Client, have read this agreement, understand it and agree with its provisions and that you, the Client, received a copy of it at the time of signing.
